DPZ Rohr stated this is an amendment of a Special Land Use for the addition of an outdoor dining deck attached to the Inverness Inn. Joel Craig, 13995 Aberdeen Lane, Gregory, MI
He lives directly behind the Inverness Inn and stated his, and the neighbor's, concerns regarding lighting, noise, and landscaping. He asked how these issues would be monitored and enforced.
Close Public Comment: 7:48 PM

Commissioners Discussion Summary:

Why surrounding municipalities have outdoor dining but Dexter Township doesn't allow it. Dexter Township has few commercial properties and doesn't have an outdoor dining permit process. This property being a Special Land Use, it requires a Public Hearing to make any changes. A variance request on the application in 2013, reduced parking and added seating on the south side of the building, was denied. A major change, as noted in the staff report, is any structure that is more than five (5) feet from the original structure. Open Space is not part of Commercial Developments. Why the three lots were not combined earlier. Lighting plans. Increased parking. Outside speakers or music system. Deck usage limited April thru October; possibility of making it year-round usage. Deck will not be covered. Plans for under deck landscaping. Outdoor dining limited to 26 patrons.

Motion by Mr. Nester, seconded by Ms. Hurd, to approve Resolution (20-PC-207) Inverness Inn, with the conditions: 1) No net expansion of seating beyond the approved 26 seats; 2) No added external noise, live music or PA music; 3) No additional exterior lighting; and 4) Deck usage is approved for year-round.

Discussion of operating hours for the deck.

Motion amended by Mr. Nester, seconded by Ms. Hurd, to include condition 5) Deck usage hours approved for 11:00 AM to 9:00 PM.

Roll Call Vote: Yeas – Lewis, Nester, Hurd, Sikkenga, Maier, Marinelli, Straub;
Nays – none; Absent – none. Motion carried 7-0.

8. Township Board of Trustees Update:

Karen Sikkenga, Township Board Representative, reported on the January 19, 2021 regular Township Board Meeting.

6.A Revisit of Election of Officers. Ms. Sikkenga offered to contact the Michigan Township Association (MTA) regarding the lack of a Planning Commission Chair.

9. Concerns of Commission Members, Director of Planning and Zoning, Supervisor, and Recording Secretary:

DPZ Rohr: Noted there will be two meetings a month for February and March.

Supervisor Ratkovich: Thanked Vice-Chair Straub for a good meeting. Also welcomed the two new appointments to the Planning Commission
