

November 2022

Township Update

District 3 - Dexter, Lima, Lyndon & Sylvan Townships

In addition to receiving over 8,500 tons of salt across our five facilities, crews have completed Dry Run, WCRC's annual process for preparing our staff and equipment for winter. Not only are our crews preparing for winter, but so are the residents of Washtenaw County. We have provided a list below of pre-winter tips that may be helpful to you!

Pre-Winter Tips

Clean Out Catch Basins!

Fall is often when storm drains get clogged. Please clear debris away from storm drains to prevent flooding and future drainage issues.

"Shake" Your Mailbox!

Shake your mailbox to make sure it is strong enough to withstand the winter season. It's much easier to make repairs now than in the middle of winter when the ground is frozen!

Help Us, Help You

Please move vehicles, garbage cans, etc. out of the roadway to give our drivers plenty of room to do their job.

November 2022

Township Update

District 3 - Dexter, Lima, Lyndon & Sylvan Townships

It has been an eventful fall thus far for the WCRC Operations Department. Crews have performed various services throughout the county: drainage projects, routine maintenance, and township obligations to name a few.
