1st CALL TO THE PUBLIC:

No members of the public were in attendance.

ORAL REPORTS: There were no oral reports available for this meeting.

OLD BUSINESS:

The schedule for meetings of the Local Road Committee will need to be changed as the dates conflict with other township meetings. Hence, the following motion was made at the August meeting but there was not a quorum present. The motions are presented below and voted at this meeting that has a quorum.

1. Lois Beerbaum moved to rescind the motion of June 28, 2022, regarding meeting dates for the Local Road Commission. The motion was carried by acclamation.
2. Christy Maier moved to schedule the Local Road Committee meetings to the second Tuesday of each month at 6 PM. The motion was carried by acclamation.

NEW BUSINESS:

- I. Washtenaw County Road Commission presentation** by Emily Kizer and Adam Lape.
They discussed the 2021 Annual Report to the Community outlining statistics, financing, road construction, maintaining the roads and partnering with townships. This report can be found on the road commission website: wcroads.org/about/about-the-road-commission. The presenters also reviewed local funding for Dexter Township. This document can be found on the road commission website: wcroads.org/doing-business/townships.
- II. Riker Road**
Tom Zatkovich asked about the road rise after the gravel spreading on Riker as homeowner driveways are lower than the road. Adam Lape stated that the homeowner is responsible to match the difference. However, Mr. Lape noted that the road commission workforce does do a push to minimize the difference. He noted that this is often sufficient, but it is the homeowners decision regarding any additional leveling to be done.
- III. Update on Single Hauler**
Karen Sikkenga relayed that the community response (500 residents) to the Master Plan conveyed a favorable response of 85% while 5-10% unfavorable. Others wanted more information.
- IV. Committee Leadership**
Mike Teicher, current chair of the committee, will be unable to continue this responsibility. Hence, committee members were asked for their interest. Christy Maier volunteered and was approved by acclamation.

RESOLUTION DISCUSSION:

None at this meeting.

2nd CALL TO THE PUBLIC:
