ALSO, to vote on the following Proposals:

Proposal to Renew Dexter Township Fire and Emergency Services Millage

In 2018 the voters of Dexter Township approved a 5-year 2.4 mill Fire and Emergency Services millage to continue to provide fire and emergency services in Dexter Township. That millage expired on December 31, 2023. To continue to provide revenue for the provision of Fire and Emergency Services, the Township is permitted by law to seek a renewal of the expired millage. This renewal will not increase the millage rate that was imposed in 2023 for fire and emergency services.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Township of Dexter, Washtenaw County, Michigan, be increased by \$2.3543 per \$1000 of taxable value (2.3543 mill) for a period of five (5) years, 2024 through 2028 inclusive, as a renewal of a previously voter authorized millage that expired on December 31, 2023 to provide funds for all lawful fire and emergency services including personnel, equipment and facilities? It is estimated that 2.3543 mill would raise approximately \$1,160,576.04 when first levied in 2024.

Proposal to Renew Dexter Township Police Services Millage

In 2006, the voters of Dexter Township approved a 5-year, 1.5 mill Police Services Millage. In 2011, 2014 and 2018, the voters of Dexter Township approved renewals to that millage at lawful rates to continue to provide Police Services in Dexter Township. The 2018 millage renewal of 1.4199 mill expired on December 31, 2023. To continue to provide revenue for the provision of Police Services, the Township is permitted by law to seek a renewal of the expired millage. This renewal will not increase the millage rate that was imposed in 2023 for police services.

Shall the limitation on the amount of taxes which may be imposed on taxable property in the Township of Dexter, Washtenaw County, Michigan, be increased by \$1.3903 per \$1000 of taxable value (1.3903 mill) for a period of five (5) years, 2024 through 2028 inclusive, as a renewal of a previously voter authorized millage to provide funds for all lawful police services including personnel, equipment and facilities? It is estimated that 1.3903 mill would raise approximately \$685,362.47 when first levied in 2024.
