Board of Trustees – Meeting Agenda

Tuesday, April 19, 2022

6:00 PM

1. Call to Order
2. Pledge of Allegiance
3. Roll Call/Supervisor's Remarks / Conflict of Interest Check
4. 1st Call for Public Comment: *(Please state your name and address and limit comments to 3 minutes. The Board may entertain public comments on agenda items as they come up for discussion.)*
 5. Approval of the Agenda
 6. Approval of the Minutes
 - a) March 09, 2019
 - b) March 15, 2022 Public Hearing and March 15, 2022 Regular BOT Meeting
7. **ORAL REPORTS**
 - A. Report on the Northwest Passage Non-Motorized Pathway -Karen Sikkenga
 - B. Update on Planning Department-David Rohr
 - C. Report on WRRRA -Michelle Stamboulellis
8. **NEW BUSINESS**
 - A. NO MOW MAY- Lawn Care Providers Proposals (posting 4-19-22)
 - B. Discussion of New Position Job Description
 - C. State approved mileage increase
 - D. 6900 Dexter-Pinckney House Plan
 - E. Dexter Township Representative on Chelsea Area Constuction Agency Board
 - F. Dexter Township Representative on Dexter Township Planning Commission
 - G. Consideration of MLSA approval
 - H. Consideration of Investment Policy/Michigan CLASS
9. **RESOLUTIONS**
 - A. Washtenaw County Road Commission Contract for Repairs/Improvements and Maintenance #22-645
 - B. Budget Ammendment #22-646
 - C. Closed seession to discuss Attorney Client Privledged Communications
 - D. Consideration of Staff Salary #22-647
 - E. Consideration of Elected Officials Salary
 1. Treasurer #22-648
 2. Clerk #22-649
 3. Supervisor #22-650
10. **Authorization of Payments**
 - A. General, Fire, Police, Fire Sub-Station, Multi-Lakes Enterprise & Agency Fund Payments – Michelle Stamboulellis – *Second run to be distributed at Board meeting*
11. 2nd Call for Public Comment
12. Other Issues, Comments and Concerns of Board Members & Staff
13. Future Agenda Items
14. Adjournment
15. The next regularly scheduled monthly meeting of the Dexter Township Board is:

Tuesday, May 17, 2022

Attachments – Township: *NOTE:* Listed items are attached to the packets for Board members and posted on the Township website. Others can obtain copies of the reports by making a request to Township staff.

1. Supervisor's Report
 2. Clerk's Report
 3. **Treasurer's Report – Page**
 4. Trustees' Report
 5. Assessor's Report – (No Report)
 6. Director of Planning & Zoning Report / Zoning Board of Appeals Report
 7. Planning Commission Report
 8. Personnel Policy Committee Report – (No report)
 9. **Open Space and Land Preservation Report – Approved minutes from December 2, 2021**
 10. Dexter Township Senior Center Report
-

Attachments – Other: *Listed items are attached to the packets for Board members, and posted on the Township website. Others can obtain copies of the reports by making a request to Township staff, or to originating entity.*

11. Chelsea Area Construction Agency (Draft Minutes)
12. Chelsea Area Fire Authority Report
13. Chelsea Area Planning/Dexter Area Regional Team Report
14. Chelsea District Library (Agenda & Minutes)
15. Dexter Area Fire Department
16. Dexter District Library (Minutes)
17. **Huron River Watershed Council**
18. Multi-Lakes Sewer Authority Report
19. Portage-Base Sewer Authority (Agenda)
20. Washtenaw Area Transportation Study (WATS) Report
21. Washtenaw Area Value Express (WAVE) Report (Draft Minutes and FY Budget)
22. Washtenaw Broadband Initiative (Agenda)
23. Washtenaw County Road Commission (Agenda & Report)
24. **Washtenaw County Sheriff Traffic Counts**
25. Western Washtenaw Recycling Authority (Minutes)

The Dexter Township Board will provide necessary reasonable auxiliary aids and services, such as signers for the hearing impaired and audio tapes of printed materials being considered at the meeting, to individuals with disabilities at the meeting upon seven days' notice to the Dexter Township Board.

Individuals with disabilities requiring auxiliary aids or services should contact the Dexter Township Board by writing or calling the Office Manager at the address and phone number printed at the top of this agenda.

www.dextertownship.org

REGULAR MEETING OF THE DEXTER TOWNSHIP BOARD TUESDAY MARCH 8, 2022 6:00PM

Location: Dexter Township Hall, 6880 Dexter-Pinckney Rd., Dexter, MI

CALL to ORDER: Supervisor Ratkovich called the meeting to order at 6:01 PM.

PLEDGE of ALLEGIANCE: Recited by all.

ROLL CALL: Present – Ratkovich, Stamboulellis, Metz, Sanders, McDole, and Sikkenga.

Absent – Nolte.

Also present: Colleen Coogan, Woodhill Consulting; Chief Smith, Dexter Area Fire Department; and Janis Miller, Recording Secretary.

SUPERVISOR'S REMARK/CONFLICT OF INTEREST: No conflicts of interest.

APPROVAL of the AGENDA:

Motion by Metz to approve the agenda as presented. Motion second by Sanders. All ayes.
Motion carried.

1st CALL TO THE PUBLIC: No public present to comment.

PRESENTATION and Discussion of the Dexter Area Fire Department Budget – Chief

Smith:

Fire Chief Smith summarized the Budget Objectives for 2022: A) Budget Structure, B) Wages, C) Benefits, D) Staffing, and E) Operations. Chief Smith also addressed the Budget Concerns and Limitations for 2022: A) Wages and Benefits, B) Apparatus and Equipment, C) Facilities, D) Staffing, and E) Operations. The interlocal agreement (Dexter City, Webster Township, and Dexter Township) directs each year's budget to be allocated based on the number of fire runs incurred by each municipality. Dexter Township's portion of the Fire Budget is 40.47%, Dexter City's is 27.70%, and Webster Township's is 31.83% - all based on the run count. The interlocal agreement does not address long-term capital needs. The Chief has a modest sum set aside for capital expenditures due to grants received during a year that offset budgeted costs or other costs that have come in under budget. The Fire Millage is expiring in 2023. Chief Smith answered questions from the Dexter Township Board of Trustees.

PRESENTATION and Discussion of the International Fire Code – Chief Smith:

Fire Chief Smith stated that 5 chapters of the Fire Code mimics the Building Codes. The Fire Code is about governing the safeguarding of life and property from fire and explosion hazards arising from the storage, handling and use of hazardous substances, materials and devices, and

from conditions hazardous to life or property in the occupancy of buildings and premises, and thereby providing penalties. Chief Smith has no authority at this time to enforce protections, inspect properties after a fire/explosion to determine their origin, or assess penalties. Adoption of the International Fire Code, by the three municipalities, would give him that authority.

REVIEW and Discussion of Supervisor Proposed Budget:

Colleen Coogan answered question from Board members in preparation for the budget adoption on March 15th.

2nd CALL TO THE PUBLIC: No public present to comment.

OTHER ISSUES, COMMENTS AND CONCERNS OF BOARD MEMBERS & STAFF:

None.

FUTURE AGENDA ITEMS:

A) Budget Approval

ADJOURNMENT:

Motion by Metz to adjourn the meeting. Motion second by Sanders. All ayes. Motion carried. The meeting was **adjourned** at 8:09 PM.

Respectfully Submitted,

Michelle Stamboulellis, Clerk
Dexter Township

I, THE UNDERSIGNED, MICHELLE STAMBOULELLIS, THE DULY QUALIFIED CLERK FOR THE TOWNSHIP OF DEXTER, WASHTENAW COUNTY, MICHIGAN, DO HEREBY CERTIFY THAT THE FORGOING IS A TRUE AND COMPLETE COPY OF CERTAIN PROCEEDINGS TAKEN BY THE DEXTER TOWNSHIP BOARD OF TRUSTEES AT A REGULAR BOARD MEETING HELD ON THE 8TH DAY OF MARCH 2022 AND THAT THE FORGOING MINUTES ARE THE DRAFT MINUTES FOR THE MEETING HELD ON THE 8, DAY OF MARCY 2022.

**REGULAR MEETING OF THE DEXTER TOWNSHIP BOARD
AND PUBLIC HEARING ON PROPOSED BUDGET FY 2022/2023 TUESDAY MARCH 15, 2022 6:00PM**
Location: Dexter Township Hall, 6880 Dexter-Pinckney Rd., Dexter, MI

CALL to ORDER: Supervisor Ratkovich called the meeting to order at 6:01 PM.

PLEDGE of ALLEGIANCE: Recited by all.

ROLL CALL: Present – Ratkovich, Stamboulellis, Metz, Sanders, Nolte, McDole, and Sikkenga. Absent – McDole (arrived at 6:35 pm). Also present: Attorney Mark Roberts; Colleen Coogan, Woodhill Consulting; David Rohr, Director of Planning and Zoning, and Janis Miller, Recording Secretary. Motion by Sikkenga to excuse McDole from the meeting as he gave notice he would not attend due to a work-related delay. Motion second by Sanders. All ayes. Motion carried.

SUPERVISOR'S REMARK/CONFLICT OF INTEREST: No conflicts of interest.

1st CALL TO THE PUBLIC:

Opened 6:04 PM

Harley Rider, 44212 Rider Ct.

His concerns were: a) responsible fiscal government by saving for the future, b) what happens to the American Rescue Plans Grant funds, c) the current budget would have the township broke in the next six years, d) On the tenth anniversary of the tornado that hit Dexter Township who is maintaining the outdoor warning system.

Jason Maciejewski, 8983 Starfield Ct.

He questioned what was happening to Wylie Road, both north and south of Island Lake Road, as the road continues to deteriorate.

Lois Beerbaum, 9897 Fleming Road

She echoed the frustration of the deteriorating roads.

APPROVAL of the PUBLIC HEARING AGENDA:

Motion by Nolte to approve the agenda as presented. Motion second by Metz. All ayes. Motion carried.

PUBLIC HEARING FOR PROPOSED 2022/2023 BUDGET: Opened 6:12 PM

Public Hearing comments opened 6:13 PM

Harley Rider, 44212 Rider Ct.

His concerns were: a) less transparency with the current board, b) add line item under General Revenue to show deficit transfer into fund balance, c) need line item to show American Rescue Plan funds transferred into fund balance, d) Open Space and Land Preservation line item is in violation of State Law, and e) in the interest of more transparency he requested more line item details so the public can know what the boards intentions are.

Molly Maciejewski, 8983 Starfield Ct.

She requested money be allocated to fix Wylie Road south of Island Lake Road up to the Lima Township line. She noted the dust control wasn't working as the road base has deteriorated.

Public Hearing comments closed 6:15 PM.

Motion by Sikkenga to close the [Budget] Public Hearing. Motion second by Sanders. All ayes. Motion carried.

Board discussion and comments:

Consultant Coogan clarified several points: a) the budget is not in deficit as all the reserves have not been depleted, b) it is an old practice to record a fund balance as revenue when currently the fund balance falls to the bottom line, c) maintenance of the Outdoor Warning System [by Frontline] is in the Building Maintenance line item, d) Intergenerational Equity – when closing the 2021 Budget the General Fund balance was 400% of annual expenditures, exceeding recommended fund balances by the Michigan Government Finance Officers and the Association of the United States and Canada, e) American Rescue Plan Funds rules that any municipality under 10 million population can use the money as General Government Revenue, f) there are reserves in the General Fund and Fire Fund, g) future budget amendments for the Fire Fund and Open Space and Land Preservation line item, h) the current OSLP line item is to cover expenses, not purchase land, i) prioritized list of road repairs with discussion on roads in common with Lima Township.

6:35 pm McDole arrives at the meeting.

Motion by Nolte to approve the 2022/2023 Budget as presented in the [Board] packet. Motion second by Sikkenga.

Roll Call Vote: Yea – Nolte, McDole, Stamboulellis, Ratkovich, Metz, Sanders, Sikkenga;
Nays – None; Absent – None. Motion carried 7-0.

FY 2022/2023 Budget Hearing closed at 6:39 PM.

As there were two agendas presented (Budget Meeting & Regular Meeting) for tonight, Attorney Roberts suggested not starting [at the top] on the second agenda but combining the agenda with the regular meeting.

APPROVAL of the REGULAR MEETING AGENDA:

Changes to the agenda presented for the regular meeting: add 8f Resolution #22-644, annual meeting calendar; add 7a Oral Report on Open Space and Land Preservation; and add 7b Broadband update.

Motion by Sanders to approve the amended [Regular Meeting] agenda with the caveat that those members of the public that have just arrived have a time to speak. Motion seconded by McDole. Motion not voted on, restated below.

Discussion: Confusion of the two agendas. Attorney Roberts suggested having the call to the public now, then addressing 8a on the regular meeting agenda, and then going back to approval of the agenda for the regular meeting.

First Call for Public Comment in the Regular Board of Trustees Meeting:

Opened 6:46 PM

Molly Maciejewski, 8983 Starfield Ct.

Comment: She applauded the Board for recognizing the preservation of open space as an important issue, as protection of our natural waters and features is high on her priority list.

Question: When were the traffic counts last done on the roads? How long does the Road Commission leave the counters out on the roads?

Closed 6:48 PM

Resolution #22-640/Dexter Township General Appropriations Act/Adoption 2023

Motion by Sikkenga to approve Resolution #22-640, the Dexter Township General Appropriations Act/Adoption 2023. Motion second by Nolte.

Roll Call Vote: Yea – Nolte, McDole, Stamboulellis, Ratkovich, Metz, Sanders, Sikkenga;
Nays – None; Absent – None. Motion carried 7-0.

Motion by Sanders to approve the [regular meeting] agenda as amended. Motion second by Metz.

All ayes. Motion carried.

APPROVAL of the MINUTES:

February 8, 2022 Township Board Work Session minutes.

Motion by Nolte to approve the minutes from February 8, 2022 meeting. Motion second by Metz. All ayes. Motion carried.

February 15, 2022 Township Board Regular meeting minutes.

Discussion: In Concerns and Comments by Board members, change the Barry Lonik “hired with a contract” to Barry Lonik “hired on a professional services contract”.

Motion by Sanders to approve the minutes as amended. Motion second by Metz. All ayes. Motion carried.

ORAL REPORTS:

Open Space and Land Preservation – Sanders

Handout. Summary of what has happened with the OSLP. The informational meeting was a huge success and the committee would like to host another event during the summer.

Open Space and Land Preservation – Stamboulellis

Report on HRWC coalition of townships pursuing millage ballot proposals – how to campaign, spending funds, networking, and Ballot Language. The OSLP has sent out one educational flyer to the community and plans to send out 1-2 more. The Farmers “Meet and Greet” was a great success, many of our local farming / landowner families came and listened to the presentation.

Broadband – Nolte

Charter has been awarded the GAP Funding. Charter has indicated they would like to start working this year.

RESOLUTIONS & ORDINANCE #44:

- A) Resolution #22-640/Dexter Township General Appropriations Act/Adoption of 2023
See above.
- B) Resolution #22-641/Adoption of Fourth Quarter Budget Amendment
Discussion: Amendments to balance 2022/2023 Budget. Reference Budget Resolution pages 6 & 7.
Motion by Nolte to approve Resolution #22-641 as written. Motion second by Metz.
Roll Call Vote: Yea – Nolte, McDole, Stamboulellis, Ratkovich, Metz, Sanders, Sikkenga;
Nays – None; Absent – None. Motion carried 7-0.
- C) Consumers Energy Franchise – Ordinance #44
Motion by Metz to approve Ordinance #44, for the Consumers Energy Franchise.
Motion second by Sikkenga.
Roll Call Vote: Yea – Nolte, McDole, Stamboulellis, Ratkovich, Metz, Sanders, Sikkenga;
Nays – None; Absent – None. Motion carried 7-0.
- D) Resolution #22-642/Creation of a Road Committee – Sikkenga
Discussion: The committee will look at funding mechanisms, best practices, strategies to get better responses from the Road Commission, policy changes that the township could advocate for at the state and local level that might result in better road conditions.
Treasurer Metz was asked to create a pie chart of monies spent on roads.
Motion by Nolte to approve Resolution #22-642, to create a Dexter Township Road Committee that will report directly to the Board of Trustees. Motion second by Stamboulellis.
Roll Call Vote: Yea – Nolte, McDole, Stamboulellis, Ratkovich, Metz, Sanders, Sikkenga;
Nays – None; Absent – None. Motion carried 7-0.
- E) Resolution #22-643/Purchase of BS&A Paycheck Program and Building Program
Discussion: DPZ stated the module is BS&A Inspections and Permitting to track all projects. Master Plan update: Master Plan is on schedule with about one quarter of the survey questions addressed. Livestream update.
Motion by McDole to pass Resolution #22-643 for purchase of BS&A paycheck and permitting program. Motion second by Metz.

Roll Call Vote: Yea – Nolte, McDole, Stamboulellis, Ratkovich, Metz, Sanders, Sikkenga;
Nays – None; Absent – None. Motion carried 7-0.

F) Resolution #22-644/Set township meeting dates FY 2022-2023

Discussion: Putting Budget Workshops on calendar for next year. This calendar is for regularly scheduled Township meetings and complies with the Open Meetings Act. Concern about the December 27th Planning Commission meeting. DPZ said those were usually cancelled.

Motion by Nolte to approve the meeting schedule. Motion second by Stamboulellis. All ayes. Motion carried.

DISCUSSION ITEMS:

A. Discussion on 6900 Pinckney – Ratkovich

Tenant has given notice of vacating the premises and asks for no penalty as lease is not up until May. Possibility of selling the property as the township shouldn't be a landlord. To keep the property in the township's portfolio, hire a professional home inspector to assess condition of home and see what repairs would cost. Check what it would cost to raze the house and possibly use the land for recycling. Vacant land would be less maintenance.

Motion by McDole to allow the lease to expire early, on March 31st, for 6900 Dexter-Pinckney Road. Motion second by Nolte. All ayes. Motion carried.

B. International Fire Code – Ratkovich

Discussion: The International Fire Code acts as a basis in order to pass an Ordinance to regulate fire protection and safety. The Board needs to decide what specific pieces, of the International Fire Code, they are adoption. Attorney Roberts stated that the concept of adopting a prepublished code is to take advantage of the technical aspects of that code without having to design your own, and going through all the painstaking details. He also cautioned about extensive modifications by taking advantage of the details and technical aspects. The same fire code must be adopted by all the municipalities of DAFD [Webster Twp., Dexter Twp., and Dexter City]. Adoption of a fire code would be extending enforcement to the Dexter Area Fire Department, which doesn't exist today. DPZ Rohr stated that Chelsea Area Construction Agency enforces the building code [primarily commercial] with references to the fire code. Rural communities without commercial development usually don't adopt a fire code.

AUTHORIZATION of PAYMENTS – Treasurer Metz

Motion by Metz for the authorization of payments in the amounts of: General Fund \$61,102.45, Fire Fund \$105,258.19, Police Fund \$41,376.51, Open Space and Land Initiative fund \$846.07, General Agency Fund \$941.50, and Payroll \$32,536.75; for a grand total of \$242,861.47 that includes gross payroll. Motion second by Sikkenga.

Roll Call Vote: Yea – Nolte, McDole, Stamboulellis, Ratkovich, Metz, Sanders, Sikkenga;
Nays – None; Absent – None. Motion carried 7-0.

2nd CALL TO THE PUBLIC:

Opened 8:17 PM

Nick Bensinger, 6970 Dexter-Pinckney Road

He said his Great Aunt had lived in the 6900 house the township owns, and he has fond childhood memories of being in the house. He wanted to know why the township bought the house. His mother Jennifer stated that when the property sold there was an agreement that the family would have first refusal to purchase. Nick would like to purchase the property.

OTHER ISSUES, COMMENTS and CONCERNS of BOARD MEMBERS & STAFF:

Nolte: Who oversees/maintains private roads. DPZ Rohr stated that private roads and platted easements are governed by a private road agreement of the residents. There is no mechanism for the township to enforce maintenance/changes to private roads. As she is updating info at Dexter Township, she asked everyone to list the projects they are working on.

FUTURE AGENDA ITEMS:

- A. Staff Evaluations
- B. Pay increases
- C. Office staffing

ADJOURNMENT:

Motion by McDole to adjourn the meeting. Motion second by Nolte. All ayes. Motion carried. The meeting was **adjourned** at 8:33 PM.

Respectfully Submitted,

Michelle Stamboulellis, Clerk
Dexter Township

I, THE UNDERSIGNED, MICHELLE STAMBOULELLIS, THE DULY QUALIFIED CLERK FOR THE TOWNSHIP OF DEXTER, WASHTENAW COUNTY, MICHIGAN, DO HEREBY CERTIFY THAT THE FORGOING IS A TRUE AND COMPLETE COPY OF CERTAIN PROCEEDINGS TAKEN BY THE DEXTER TOWNSHIP BOARD OF TRUSTEES AT A REGULAR BOARD MEETING HELD ON THE 15TH DAY OF MARCH 2022 AND THAT THE FORGOING MINUTES ARE THE DRAFT MINUTES FOR THE MEETING HELD ON THE 15, DAY OF MARCY 2022.

MICHELLE STAMBOULELLIS, CLERK, DEXTER TOWNSHIP

BEE CITY USA

Help us empower communities to protect the life that sustains us!

DONATE

NO MOW MAY

A lush, green, weed-free lawn has historically been center stage in American landscaping. It tells the whole neighborhood that you are a competent, hard-working, contributing member of society. Dandelions and an overgrown lawn are a sign of neglect, incompetence, and laziness—or so our culture would have you believe. Americans have a love affair with lawns—maintaining roughly 40 million acres, or 2% of land in the US, making them the single largest irrigated crop we grow. Lawns require frequent mowing, raking, fertilizing, weeding, chemical treatment, and watering—sucking up time, money, and other resources. Not only are lawns burdensome for the people maintaining them, but they also provide little positive benefit to wildlife, and in fact are often harmful. The traditional monoculture lawn lacks floral resources or nesting sites for bees and is often treated with large amounts of pesticides that harm bees and other invertebrates. When we think of habitat loss, we tend to imagine bulldozers and rutted dirt, but acres of manicured lawn are as much a loss of habitat as any development site.

Re-thinking the American lawn can take a variety of forms from reducing mowing frequency or area mown to permanently converting lawn to a more diverse and natural landscape.

DO MORE BY DOING LESS

Mowing your lawn less creates habitat and can increase the abundance and diversity of wildlife including bees and other pollinators. One way to reduce mowing is by participating in Now Mow May. No Mow May is a conservation initiative first popularized by Plantlife, an organization based in the United Kingdom, but which is gaining traction across North America. The goal of No Mow May is to allow grass to grow unmown for the month of May, creating habitat and forage for early season pollinators. This is particularly important in urban areas where floral resources are often limited.

In 2020, residents of Appleton, Wisconsin, an affiliate of Bee City USA, became energized about No Mow May and the City Council agreed to suspend their weed ordinance for the month of May. Over 435 registered property owners participated in the campaign, and Lawrence University, an affiliate of Bee Campus USA, partnered with Appleton to conduct research on the impact of No Mow May on pollinators. Researchers Israel Del Toro and Relena Ribbons collected data on the abundance (the number of individuals) and species richness (the number of species) of flowers and bees found in unmown yards of a subset of the properties participating in No Mow May. They then compared those numbers to the abundance and richness of flowers and bees found in nearby urban parks that are regularly mowed. The findings were impressive! Not only were the abundance and richness of bees higher in the yards of properties participating in No Mow May, but they were way higher. Participating yards had three-times higher bee species richness and five-times higher bee abundance than nearby parks that had been mowed. This study was published in 2020 and is available for free download online. Empowered by their success in 2020, Appleton has spread the word and attracted even more participants in 2021.

Other studies have looked into how reducing the frequency of mowing throughout the growing seasons impacts bees. In a recent experiment conducted by Susannah Lerman, a research ecologist with the USDA Forest Service's Northern Research Station, Lerman and her collaborators explored whether different lawn mowing frequencies influenced bee abundance and diversity. The team mowed herbicide-free suburban lawns at different frequencies (every week, every other week, and once every three weeks) in Springfield, Massachusetts. The results of their study found bee abundance increased when lawns were mown every other week. Mowing every three weeks resulted in more than double the number of flowers available in lawns (mainly dandelions and clover), and increased bee diversity—yet lowered overall bee abundance versus the every-other-week strategy. The researchers hypothesize that, while the three-week mowing cycle left more flowers in the lawn, the length of the competing turfgrasses made the flowers harder to find. Lerman and her colleagues documented a staggering 93 species of bees, with supplemental observations bringing the total number to 111 bee species—nearly a quarter of all bee species native to the area!

The efficacy of reducing mowing may be expanded upon by altering the composition of your lawn to include more flowering species. A “bee lawn” may include Dutch clover (which captures nitrogen and helps feed the lawn) as well as other low-growing flowering plants such as creeping thyme (*Thymus* spp.), self-heal (*Prunella vulgaris*), and others. Some plants, such as native violets (*Viola* spp.) may already be present and should be

encouraged as they are valuable host plants for fritillary butterflies. For more information about creating a flowering lawn please see the resources at the end of this blog.

In addition to benefiting pollinators, reducing mowing frequency will save water, help your lawn become more resilient to drought, and reduce emissions from gas-powered lawn equipment that often lacks the emission reduction equipment found on larger engines.

GO LAWNLESS

Lawn certainly has its place. It provides a perfect platform for kicking a ball around, provides “accommodation” for the needs of pets, and can be used to define space in landscape design. But how much lawn do you really need, and to what standard must it be maintained? Do your kids need a perfect, weed-free lawn to play on? Do you really need to measure your lawn in acres rather than feet? In addition to reducing the amount you mow—think about reducing the amount of lawn that needs mowing. In place of that lawn, consider planting a rain garden, pollinator garden, or wildflower meadow—or replacing your turf grass lawn with native lawn alternatives.

WHAT ABOUT WEED REGULATIONS?

Most cities and municipalities have some form of weed ordinance that dictates the height and sometimes even the types of plants a homeowner is allowed to grow. Unfortunately, many of these ordinances are woefully out of date and out of touch with the modern movement towards creating yards that support wildlife in urban settings. While local ordinances will vary greatly from place-to-place, here are a few tips for keeping local officials, and your neighbors happy:

- **Maintain a mowed buffer.** Yes, after spending a considerable amount of time discussing the problems with lawn, we are suggesting you keep some—strategically. Keeping a mowed edge in front of or around a natural planting of a foot or two may be all that’s needed to define “lawn” from “garden” and keep you in step with local ordinances or Homeowner Association guidelines. Maintaining a tidy mowed edge also makes a busy natural planting look less overwhelming, and makes these spaces look intentional rather than neglectful.
- **Engage with your city council, health department, or other local officials.** Tell them what you are doing, why, and begin a conversation about how they can support natural landscapes in their community. This fact sheet from Penn State can help arm you with facts to overcome the common myths that have led to overly restrictive weed ordinances.
- **Suggest an “opt-in” program, such as a Natural Lawn Registration program** to sidestep the need to re-write a health code ordinance. Under such a model, a homeowner may register their natural landscape with their local health department. The health department can then decline to fine registered properties as long as they are maintaining the natural landscape properly and not encouraging the spread of noxious weeds.
- **Educate your neighbors and passersby about your landscaping choices.** Displaying a simple sign designating your yard as pollinator habitat can be the difference between it being seen as a neglected area to people viewing it as an important part of a thriving landscape. Xerces offers downloadable signs for Now Mow May and you can receive a pollinator habitat signs as a thank you for your donations through our gift center.

Request for Bid - Dexter Township Properties Lawn and Ground Maintenance

You are invited to submit a bid for our seasonal lawn and ground maintenance in accordance with the requirements set forth in the attached agreement

Bids must be received at the Township Hall not later than April ¹⁹21, 2022, at 4:30 p.m. Bids received after the deadline will not be considered.

Bids will be reviewed by the Dexter Township Board at their regular meeting on Tuesday, April 19, 2022 at 6:00 p.m. It is anticipated that the Township Board will take action at the meeting to authorize a contract with the vendor whose proposal is deemed to best meet the overall lawn and ground maintenance needs of the Township.

Dexter Township reserves the right to approve an agreement with the contractor the Township Board deems to be the most responsive to the needs of the Township, whether or not that contractor is the lowest bid. Dexter Township also reserves the right to reject any and all bids.

Office Manager, Kimberly Jordan, will be the point of contact for all inquiries and correspondences. Kim's normal working hours are Monday, Tuesday and Wednesday between 8:30 a.m. and 4:30 p.m. Kim may be contacted by phone at (734) 426-3767 or email at kjordan@dextertownship.org. Questions may also be directed to the undersigned, if Kim is unavailable.

I thank you for your time, effort, and interest in our seasonal lawn and ground maintenance contract.

Sincerely,

Diane Ratkovich, Dexter Township Supervisor
(734) 426-3767

DEXTER, MICHIGAN 48130
DEXTERTOWNSHIP.ORG

Lawn & Ground Maintenance Services to be Provided

To provide seven days per week service on an as needed basis for Dexter Township Hall, with an address at 6880 Dexter-Pinckney Road, Dexter, Michigan 48130, the acquired parcels of Hudson Mills Cemetery and Lima Center Cemetery and, the Dexter Fire Sub Station, with an address at 12154 North Territorial Road, Dexter, Michigan 48130; The residential unit owned by Dexter Township at 6900 Dexter-Pinckney Road; and vegetative control to several of the Dexter Township Outdoor Warning Sirens (OWS) (list and map available).

Dexter Township Hall Grounds and the house next door at 6900 North Territorial Road

Services itemized and invoiced together.

- Grass to be mowed routinely to maintain an average height of 2 ½" to 3"
- Edging of curbs, drives, and walks as needed.
- Clippings to be blown off drives, walkways and parking areas.
- Maintain landscaping, to include pruning, weeding and removal of leaves and dead limbs.
- Availability to provide additional services (with notice).

Total Amount Per Service \$ _____

Dexter Fire Sub Station

Services itemized and invoiced

- Grass to be mowed routinely to maintain an average height of 2 ½" to 3"
- Edging of curbs, drives, and walks as needed.
- Clippings to be blown off drives, walkways and parking areas.
- Maintain landscaping, to include pruning, weeding and removal of leaves and dead limbs.
- Availability to provide additional services (with notice).

Total Amount Per Service \$ _____

Possibilities for title:

Executive Administrator / Chief Operations Officer / Administrative Assistant

The offices of Dexter Township are seeking a highly organized and detail driven individual for full time employment reporting directly to the Executive Committee to assist in supporting our governmental offices, township residents and staff.

Core duties and responsibilities include but are not limited to:

Interface with Township residents and coordinate concerns appropriately.

Prepare communication documents

Coordinate and prepare monthly board packets

HR oversight and Paycheck Distribution

Assist with maintaining the Township Communications via Public including website, Facebook, email systems, etc.

Project research, tracking and /or management for multiple projects as assigned.

General office duties: answering phones, greeting visitors, scheduling, preparing request for proposals, record maintenance (electronic and paper), facility management oversight, assist with Freedom of Information Act requests, publication of hearings, meeting, publications, interface with vendors and more.

This position is not limited to these responsibilities. Other duties can be assigned.

Desired Skill Set:

Basic accounting knowledge or ability to manage accounting software.

High functioning organizational skills.

Ability to multitask.

Independent decision making.

Excellent Communication including listening, speaking, and writing skills.

Inclusive Team Building Skills.

Ability to oversee project management.

Excellent computer skills including word, excel, adobe and outlook.

Education and Work Experience Qualifications Preferred

Associate's degree, BA preferred in Business, Management or Accounting

Minimum of 5 years work experience in Government or other fast paced office setting.

Verifiable References must be provided.

Benefits include: PTO, Health Insurance, Life Insurance, Disability Insurance and Retirement

DEXTER TOWNSHIP

AGENDA ITEM SUMMARY

MEETING OF: Township Board of Trustees 19 April 2022

Agenda Item:

Mileage 57.5 cents per mile to 58.5 cents per mile

Recommended by: Diane Ratkovich

Explanation of Agenda Update to State and County mileage reimbursement

Fiscal or Resource Considerations: YES ☒ NO ☐

Does this agenda item require the expenditure of funds? YES ☒ NO ☐

If YES, are funds budgeted? YES Recommending for 2022/23 YES ☒ NO ☐

Are staff or other resources required? YES ☐ NO ☒

Is a budget amendment required? YES ☐ NO ☒

Mileage reimbursement is for work related travel. Not reimbursed for meeting being compensated for. 57.5 to 58.5

Staff Comments:

Motion/Action/Recommendation:

DEXTER TOWNSHIP

AGENDA ITEM SUMMARY

MEETING OF: Township Board of Trustees 19 April 2022

Agenda Item:

Dexter-Pinckney House

Recommended by: Diane Ratkovich

Explanation of Agenda Item: Continued discussion of Dexter Pinckney house

Options: 1. Sell (get an appraisal or market analysis to confirm value at about \$315,000)

2. Rent at \$1750 to \$1850

3. Tear Down (No income and How to Repurpose)

Fiscal or Resource Considerations: YES _____ NO _____

Does this agenda item require the expenditure of funds? YES _____ NO _____

If YES, are funds budgeted? YES _____ NO _____

Are staff or other resources required? YES _____ NO _____

Is a budget amendment required? YES _____ NO _____

Attachments :

Home Inspection Attached

Cost to Tear Down (No information)

Staff Comments: Per the inspection I recommend :

Hiring an electrician to replace corroded electric box

Have the gutters repaired and positioned away from house to avoid dampness in basement

Paint all peeling exterior trim and remove vines from outside and where it is penetrating into windows.

Motion/Action/Recommendation:

Definitions

NOTE: All definitions listed below refer to the property or item listed as inspected on this report at the time of inspection

A	Acceptable	Functional with no obvious signs of defect.
NP	Not Present	Item not present or not found.
NI	Not Inspected	Item was unable to be inspected for safety reasons or due to lack of power, inaccessible, or disconnected at time of inspection.
M	Marginal	Item is not fully functional and requires repair or servicing.
D	Defective	Item needs immediate repair or replacement. It is unable to perform its intended function.

Electrical

A = Acceptable, NP = Not Present, NI = Not Inspected, M = Marginal, D = Defective

A NP NI M D

Service Size Amps: 100 Volts: 110-240 VAC

☐☐☐☐☒ Service: Aluminum – Surface coating of secondary service cable is cracked/deteriorated and may allow water to penetrate inside the cable.

☒☐☐☐☐ 120 VAC Branch Circuits: Copper
☒☐☐☐☐ 240 VAC Branch Circuits: Copper and aluminum
☒☐☐☐☐ Conductor Type: Romex and aluminum cloth wrapped
☒☐☐☐☐ Ground: Plumbing and rod in ground
☒☐☐☐☐ Smoke Detectors: Battery operated

Basement Electric Panel

☐☐☐☐☒ Manufacturer: Push-O-Matic – Severe rust/corrosion on ground/neutral bar at top of panel and on breakers at right side of panel. Water entry appears to have occurred through main service line sheathing. Evaluation by a licensed electrician is recommended, will likely require replacement.

Maximum Capacity: 100 Amps

☒☐☐☐☐ Main Breaker Size: 100 Amps

☐☐☐☒☐ Breakers: Copper and Aluminum – Double/triple taps are present at breakers. These circuits should be moved to their own circuit breaker to prevent nuisance tripping of the breaker and to ensure a proper contact is maintained with mounting screw.

Marginal Summary

This summary is not the entire report. The complete report may include additional information of concern to the client. It is recommended that the client read the complete report.

Lots and Grounds

1. Driveway: Concrete – Minor cracks/settlement present.
2. Steps/Stoops: Concrete – Settlement of stair structure occurring which can divert water toward the foundation.

3. Deck: Treated wood – Recommend cleaning and refinishing to protect wood surface.
Settlement noted at SW corner of deck structure.

Exterior Surface and Components

4. Whole House Exterior Surface Type: Brick veneer – Small settlement cracks in mortar joints present beneath west living room window.

5. Gable ends Exterior Surface Type: Wood – Peeling/worn paint present on wood surfaces. Refinishing recommended prior to deterioration of wood.

Inspections On Demand, LLC

Dexter Township
6900 Dexter Pinckney Rd

Page 23 of 32
14:44 April 08, 2022

Marginal Summary (Continued)

6. Soffits: Wood – Peeling/worn paint present on wood surfaces. Refinishing recommended prior to deterioration of wood.

7. Exterior Electric Outlets: 110 VAC – Non-GFCI outlet, recommend GFCI outlet be installed. A non ground fault circuit interrupter outlet can cause increased risk of shock damage in areas where water contact is possible and/or likely.

Roof

8. Flashing: Aluminum – Flashing improperly exposed beneath NE overhang.

9. House-North Chimney Flue/Flue Cap: Clay/None – Flue tiles are currently covered with a piece of plywood. Recommend adding a rain/snow cap to prevent water and debris entry into flue.

10. Garage-East Chimney Flue/Flue Cap: Clay/None – Recommend adding a rain/snow cap to prevent water and debris entry into flue.

Inspections On Demand, LLC

Page 24 of 32
14:44 April 08, 2022

Dexter Township
6900 Dexter Pinckney Rd

Marginal Summary (Continued)

Garage/Carport

11. North-Front entry Garage Garage Doors: Wood – Peeling/worn paint on exterior surfaces. Damaged weatherstripping at bottom edges.

12. North-Front entry Garage Exterior Surface: Aluminum siding – Minor dents/damage present.
13. North-Front entry Garage Leader/Extensions: Missing – Recommend extending runoff drains to move water away from foundation at least 3 feet

Electrical

14. Basement Electric Panel Breakers: Copper and Aluminum – Double/triple taps are present at breakers. These circuits should be moved to their own circuit breaker to prevent nuisance tripping of the breaker and to ensure a proper contact is maintained with mounting screw.

Attic

15. Main Attic Ventilation: Ridge only – Recommend adding soffit ventilation if attic space is to be finished further.
16. Main Attic Smoke Detector: None
17. Main Attic Electrical: 110 VAC – Missing coverplates.
18. Main Attic HVAC Source: Forced air register – Missing register cover and supply elbow.
19. Main Attic Insulation: Fiberglass batting – Falling, damaged insulation material at multiple locations.

20. Main Attic Animal/Insect Penetration: Previous penetration noted – Minor amounts of rodent activity, notable above bathroom between ceiling and floor boards.

Inspections On Demand, LLC

Page 25 of 32
14:44 April 08, 2022

Dexter Township
6900 Dexter Pinckney Rd

Marginal Summary (Continued)

21. Main Attic Bathroom Fan Venting: Vented to interior – Bathroom improperly vents into attic and may cause moisture damage to the insulation and sheathing.

Basement

22. Unfinished/Utility Areas Basement Doors: Hollow wood – Doors need trimming/adjustment, rubs on frame.
23. Unfinished/Utility Areas Basement Electrical: 110 VAC – Non-GFCI circuit -recommend GFCI circuit be installed
24. Unfinished/Utility Areas Basement HVAC Source: None
25. Unfinished/Utility Areas Basement Insulation: None
26. Unfinished/Utility Areas Basement Sump Pump: Submerged – Improper routing of sump pump discharge line into the main waste system. This water should be directed to an exterior surface drain or separate drywell.
Missing crock lid.

Air Conditioning

27. North side of home AC System A/C System Operation: Not inspected – To avoid possible compressor damage due to outside temperature below 65 degrees, the unit was not tested. The unit is currently in service beyond the expected design life and is recommended to be budgeted for replacement.

Plumbing

28. Service Line: ABS, Galvanized – Heavy corrosion of galvanized fittings in main service line. Recommend replacement prior to failure.
29. Drain Pipes: PVC, Cast iron, Galvanized – Improperly terminated drain line in attic space. Galvanized drainpipe present which can cause decreased drainage over time as the pipes corrode. Evidence of previous leakage at galvanized drain fitting above main waste line outlet through the foundation.

30. Basement Water Heater Water Heater Operation: Functional at time of inspection – Water heater existing past the end of it's design life and is recommended to be budgeted for replacement.
Notable corrosion at dielectric coupling.

Plumbing (Continued)

Water Heater Operation: (continued)

Bathroom

31. 1st floor main Bathroom Ceiling: Drywall and/or Plaster – Loose/peeling paint.
32. 1st floor main Bathroom Floor: Linoleum – Worn floor finish.
33. 1st floor main Bathroom Doors: Hollow wood – Damaged handle.
34. 1st floor main Bathroom Counter/Cabinet: Formica and wood – Additional caulking recommended at backsplash and sink.
35. 1st floor main Bathroom Sink/Basin: Porcelain coated – Rust present at outer edge of sink bowl. Improper drain plug.
36. 1st floor main Bathroom Faucets/Traps: Chrome fixtures with a metal trap – Sink is slow draining, likely clogged trap. Pitting/corrosion on metal plumbing components, typical of off-gassing from chemical storage.

Kitchen

37. 1st Floor Kitchen Plumbing/Fixtures: Chrome w/metal trap – The supply piping under the sink is corroded.
38. 1st Floor Kitchen Counter Tops: Formica – Worn finish.
39. 1st Floor Kitchen Ceiling: Drywall and/or Plaster – Cracks present.
40. 1st Floor Kitchen Floor: Linoleum – Worn flooring.
41. 1st Floor Kitchen Doors: Hollow wood – Door rubs at frame, trimming/adjustment recommended.

Bedroom

42. 1st Floor East Bedroom Closet: Walk In – Missing plunger at lock-set.
43. 1st Floor East Bedroom Floor: Hardwood – Worn wood floor finish.
44. 1st Floor west Bedroom Closet: Walk In, Single hollow wood door – Missing plungers at lock-sets.
45. 1st Floor west Bedroom Ceiling: Drywall and/or Plaster – Cracks present.
46. 1st Floor west Bedroom Floor: Hardwood – Worn wood floor finish.

Defective Summary

This summary is not the entire report. The complete report may include additional information of concern to the client. It is recommended that the client read the complete report.

Lots and Grounds

1. Porch: Concrete – Cracked slab at corner. Loose/deteriorating mortar joints in bricks.

2. Vegetation: Shrubs, Trees, Ivy – Recommend removal of vine/ivy growth from side of structure. Currently growing through side of window frame into living space and has destroyed the screen material. Maintain clearance to home to prevent insect and water intrusion and damage to building materials.

Exterior Surface and Components

3. Fascia: Wood – Peeling/worn paint present on wood surfaces. Refinishing recommended prior to deterioration of wood.

Area of wood rot adjacent to chimney flashing from previous leakage.

Roof

4. House-North Chimney Chimney: Brick – Vertical cracks present in brick materials at each side of chimney, additional cracks present in crown. Tuckpointing repairs recommended to reduce rate of further deterioration.

Inspections On Demand, LLC

Page 29 of 32

Dexter Township
6900 Dexter Pinckney Rd

Roof (Continued)

Chimney: (continued)

Garage/Carport

5. North-Front entry Garage Service Doors: Metal – Bottom of door is severely rusted/corroded.

6. North-Front entry Garage Windows: Vinyl horizontal slider – Moisture/fogging present inside the layers of glass, failed thermal seals

Electrical

7. Service: Aluminum – Surface coating of secondary service cable is cracked/deteriorated and may allow water to penetrate inside the cable.

8. Basement Electric Panel Manufacturer: Push-O-Matic – Severe rust/corrosion on ground/neutral bar at top of panel and on breakers at right side of panel. Water entry appears to have occurred through main service line sheathing. Evaluation by a licensed electrician is recommended, will likely require replacement.

Inspections On Demand, LLC

14:44 April 08, 2022

Dexter Township
6900 Dexter Pinckney Rd

Electrical (Continued)

Manufacturer: (continued)

Attic

9. Main Attic Floor: Dimensional wood subfloor – Missing/loose floor boards present over bathroom at the south end of attic space.

10. Main Attic Insulation Depth: 2-6" (R7-R19) – Minimum expected insulation levels for existing construction are R19, Current code for new construction requires insulation levels of R38. Current EPA recommendations are to have insulation levels of R38-R60.

Basement

11. Unfinished/Utility Areas Basement Moisture Location: Under the entire home – Active moisture penetration at south corners of home. Due to age and type of foundation, a dry basement can be difficult to guarantee without significant waterproofing measures. Recommend maintaining grading and downspouts away from the home to reduce risk of water penetration. A qualified contractor should be contacted to determine costs of a perimeter drain system to control further entry and prevent damage.

SETTLEMENT AGREEMENT

This Settlement Agreement is made this 19 day of April, 2022, by and between the Multi-Lake Water and Sewer Authority, a utility authority located in the County of Washtenaw, created pursuant to Act No. 233 of the Public Acts of Michigan of 1955, as amended (the "Authority"), whose address is 12088 N. Territorial Road, Dexter, MI 48130, and the Township of Dexter, a Michigan Township located in the County of Washtenaw, (the "Township"), whose address is 6880 Dexter-Pinckney Road, Dexter, MI 48130. The parties have agreed to resolve a dispute over funds on deposit with the Township as follows:

RECITATIONS

A. The Authority was established to provide sanitary sewer service to areas of a number of communities, including the Township.

B. To fulfill its purpose, the Authority constructed a sanitary sewer collection and treatment system to service the communities, including areas of the Township.

C. The cost for developing the sanitary sewer service infrastructure was funded by a number of bonds issued through the Washtenaw County Department of Public Works ("DPW"). Only one bond remains outstanding at this time, and the terms of the bond are set forth in a Contract dated December 1, 2005.

D. The Contract provides for the Authority to establish and collect rates sufficient to operate the sanitary sewer service and to make the bond payments to the DPW. The bond payment for the 2022 FY ending March 31, 2022, was \$212,750, consisting of \$190,000 principal and \$22,750 in interest.

E. The Township has pledged its full faith and credit to ensure the payment of 57.30% of the total bond debt if the Authority defaults on its obligation. The Township is under no other obligation to pay any money to the DPW for bond principal or interest payments. The Township's share of the bond payment upon default of the Authority is \$119,140 this year.

F. The Township possessed an account with a balance of \$538,256.51 as of March 9, 2022, to which the Authority asserts a claim.

G. The Township has negotiated with the Authority to resolve the dispute and, as a demonstration of good faith, paid over approximately half of the disputed funds, in the amount of \$269,014.92, to the Authority in anticipation of entering into a final settlement agreement.

Based upon the above recitations, the parties agree as follows:

PROVISIONS

1. The Township will retain sufficient funds to match its current one-year full faith and credit obligation for debt payments to the Authority, in the amount of \$119,140, and

pay over the remaining funds, amounting to approximately \$150,101.59, within 14 days of the signing of this agreement.

2. When the Authority financial statements for its fiscal year ending March 31st shows an adequate budget with sufficient reserves, matching the recommended target of 15-25% of its operating budget, and proof that a rate structure designed to meet the revenue needs of the service is adopted, the Township will promptly pay over the retained funds.
3. This Agreement has been jointly drafted. It may be executed in counterparts, which taken together constitute one agreement. A facsimile or electronic signature on this Agreement has the force and effect of an original signature.

Michigan Cooperative Liquid Assets Securities System

April 7, 2022

Maris Metz
Dexter Township Treasurer
6880 Dexter-Pinckney Rd
Dexter, MI 48130

Re: Acknowledgement of Receipt of Investment Policy and Agreement to Comply

Dear Mr. Metz:

Thank you for your interest in the Michigan Cooperative Liquid Assets Securities System (Michigan CLASS) program. As is required by law, this letter is to acknowledge that the Michigan CLASS staff has received, read and fully understands Act 20 of PA 1943, Section 129.91, as amended, and the Investment Policy for Dexter Township.

Any investment advice or recommendation given by the program investment advisor (Public Trust Advisors, LLC) to the Michigan CLASS program and its Participants shall comply with the requirements of Act 20 of PA 1943, Section 129.91, as amended, and the Investment Policy of the above-named entity.

Any existing investment not conforming to the statute or the policy will be disclosed promptly.

Sincerely,

Stephen J Dixon
Director, Business Operations

What are the objectives of Michigan CLASS?

Safety

The primary investment objective of Michigan CLASS is the safety of public funds. Our conservative investment policy and emphasis on safety have helped us earn S&P Global Ratings highest money market rating: 'AAAm.' The custodian for all Michigan CLASS investment holdings is Fifth Third Bank.

Liquidity

When you invest with Michigan CLASS, you have access to your funds on any business day. You must notify Michigan CLASS of your funds transaction requests by 3 p.m. ET via the Internet, phone, or fax. By offering daily liquidity, we provide you with the flexibility you need to meet your daily cash needs.

Convenience

To make cash management simple and efficient, Michigan CLASS includes many features that make it easy to access account information and simplify record keeping. Participants may make account transactions on any business day using the Michigan CLASS phone number (855) 382-0496, fax number (855) 381-0496, email (clientservices@michiganclass.org), or via the Michigan CLASS Online Transaction Portal at www.michiganclass.org.

Flexibility

You may establish multiple Michigan CLASS accounts to track and parallel your own internal fund accounting structures. You will receive comprehensive monthly statements online or via email that show all of your transaction activity, interest postings, and rate summaries. These statements have been specifically designed to facilitate public-sector fund accounting and to establish a clear accounting and audit trail for your investment records.

Competitive Returns

The Michigan CLASS philosophy has always been to provide competitive returns while adhering to all objectives of safety and liquidity. Our portfolio managers are professionals with solid experience in public funds management. Michigan CLASS maintains a low management fee (0.13%) structure to facilitate a competitive yield on the investment portfolio.

Legality

Michigan CLASS invests only in investments legally permitted under Michigan state law.

Michigan Cooperative Liquid Assets Securities System

What is Michigan CLASS?

Michigan Cooperative Liquid Assets Securities System (Michigan CLASS) is a local government investment pool that emphasizes safety, liquidity, convenience, and competitive yield. Since 1991, Michigan CLASS has provided Michigan public agencies a safe and competitive investment alternative. Michigan CLASS invests only in instruments applicable to state of Michigan laws governing investment options for public agencies. Funds of the Participants are invested in prime or high-grade, short-term fixed income instruments selected to provide for program safety, liquidity, and competitive rates of return as further defined by the Board's Investment Policy. Michigan CLASS is rated 'AAAm' by S&P Global Ratings. The 'AAAm' principal stability fund rating is the highest assigned to principal stability government investment pools and is a direct reflection of the outstanding credit quality and management of Michigan CLASS.

Who oversees and manages Michigan CLASS?

Investments made on behalf of the Participants are subject to the overall direction of the Michigan CLASS Board of Trustees, which consists of up to thirteen Trustees elected by the Participants for staggered three-year terms. The Board of Trustees approves the program's investment parameters that must also fall within the investment stipulations mandated under Michigan statute for the investment of surplus funds of the Participants. The Board of Trustees has entered into an investment advisory agreement with Public Trust Advisors, LLC which is responsible to the Board for all program investment and administrative activities and services provided on behalf of the Participants.

How can you participate in Michigan CLASS?

Enrolling in Michigan CLASS is simple. After reading the Participation Agreement and Information Statement (available at www.michiganclass.org), follow these steps:

- 1 Submit your entity's investment policy to the program administrator for review.
- 2 Adopt the Participation Agreement by Board resolution.
- 3 Complete the Michigan CLASS Trust Registration.
- 4 Submit the above documents to Michigan CLASS Client Services.
- 5 After we review and approve the above documents, you will receive confirmation that you have been accepted as a Michigan CLASS Participant.

What Features Does Michigan CLASS Offer?

As a Michigan CLASS Participant, you have access to many convenient features:

- Same-day availability of funds (3:00 p.m. ET cut-off)
- Deposits by wire or ACH
- Secure online access for transactions and account statements
- Professionally managed since 1991
- Competitive daily yields
- Unlimited subaccounts
- No minimum balance requirements
- No transaction fees*
- Audited annually by an independent auditing firm**
- Direct deposit of state and federal payments
- Dedicated client service representatives available via phone, fax, or email on any business day

*You may incur fees associated with wires and/or ACH transactions by your bank, but there will be no fees charged from Michigan CLASS for such transactions. **External audits may not catch all instances of accounting errors and do not provide an absolute guarantee of accuracy. A 'AAAm' rating by S&P Global Ratings is obtained after S&P evaluates a number of factors including credit quality, market price exposure, and management. Ratings are subject to change and do not remove credit risk.

DEXTER TOWNSHIP

AGENDA ITEM SUMMARY

MEETING OF: Township Board of Trustees 19 April 2022

Agenda Item:

Resolution # 22-~~624~~²⁴⁵ . Approval for Dexter Township to enter into the attached contract with the Washtenaw County Road Commission for local road improvements and repairs.

Explanation of Agenda Item: The Dexter Township Strategic Plan process indicated a high commitment to Road Improvements. The roads were evaluated according to # of cars traveled daily, accidents and most recent improvements.

Fiscal or Resource Considerations: YES ☒ NO ☐

Does this agenda item require the expenditure of funds? YES ☒ NO ☐

If YES, are funds budgeted? YES Recommending for 2022/23 budget YES ☒ NO ☐

Are staff or other resources required? YES ☐ NO ☒

Is a budget amendment required? YES ☐ NO ☒

The

Staff Comments:

The Board of Trustees authorize the Supervisor and Clerk to sign the contract as approved.

Motion/Action/Recommendation:

RESOLUTION # 22-645
2022 DEXTER TOWNSHIP AGREEMENT

THIS AGREEMENT, made and entered into this _____ day of _____, 2022, by and between the Township Board of Dexter Township, Washtenaw County, parties of the first part and the Board of Washtenaw County Road Commissioners, parties of the second part.

WHEREAS, the parties of the first part desire that certain improvements be made upon the local roads in the Township of Dexter, and

WHEREAS, proper authority is provided to the parties of the agreement under the provisions in Act 51 of Public Acts of 1951 as amended,

IT IS NOW THEREFORE AGREED, the parties of the second part will accomplish the improvements as specified herein, all in accordance with the standards of the parties of the second part.

1. Dust Control (497-04-108):

Work to include placement of three (3) solid applications of Kaiser Well brine on all certified local gravel/limestone roads within the township. Estimated 155,940 gallons @ \$0.199 per gallon.

Estimated cost of Kaiser Well brine:

\$ 31,032.06

2. Fleming Road, Dexter-Pinckney Road to Dexter Townhall Road:

Work to include tree cutting, roadside berm removal, ditching, shaping the existing surface, the application of 6" (C.I.P.) of 23a limestone (approximately 6,500 tons) with associated dust control and project restoration.

Estimated project cost:

\$ 173,400.00

1. Huron River Drive, North Territorial Road to Strawberry Lake Road:

Work to include heavy brushing, tree cutting, ditching, culvert installations, roadside berm removal, shaping the existing surface, the application of 8" (C.I.P.) of 23a limestone (approximately 10,650 tons) with associated dust control and project restoration. This is a proposed township share project with Webster Township.

Estimated total project cost:

\$ 379,000.00

Estimated project cost to Dexter Township:

\$ 189,500.00

3. McKinley Road, Fen Ridge Drive to Cooper Ridge Drive:

Work to include tree cutting, ditching, shaping the existing surface, the application of 6" (C.I.P.) of 23a limestone (approximately 5,300 tons) with associated dust control and project restoration. This is a proposed township share project with Lima Township.

Estimated total project cost:

\$ 135,000.00

Estimated project cost to Dexter Township:

\$ 67,500.00

4. Riker Road, Island Lake Road to North Territorial Road:

Work to include tree cutting, roadside berm removal, ditching, shaping the existing surface, the application of 6" (C.I.P.) of 23a limestone (approximately 10,400 tons) with associated dust control and project restoration.

Estimated project cost:

\$ 276,700.00

5. **Wyllie Road, Island Lake Road to Lima Township line:**
Work to include shaping the existing surface, the application of 6" (C.I.P.) of 23a limestone (approximately 1,550 tons) with associated dust control and project restoration.
Estimated project cost: \$ 38,700.00
6. **McKinley Road, Waterloo Road to Fen Ridge Drive:**
Work to include tree cutting, shaping the existing surface, the application of 6" (C.I.P.) of 23a limestone (approximately 3,200 tons) with associated dust control and project restoration.
Estimated project cost: \$ 76,400.00

AGREEMENT SUMMARY

2022 LOCAL ROAD PROGRAM

Dust Control	\$ 31,032.06
Fleming Road, Dexter-Pinckney Road to Dexter Townhall Road	\$ 173,400.00
Huron River Drive, North Territorial Road to Strawberry Lake Road	\$ 189,500.00
McKinley Road, Fen Ridge Drive to Cooper Ridge Drive	\$ 67,500.00
Riker Road, Island Lake Road to North Territorial Road	\$ 276,700.00
Wyllie Road, Island Lake Road to Lima Township line	\$ 38,700.00
McKinley Road, Waterloo Road to Fen Ridge Drive	\$ 76,400.00
Subtotal	\$ 853,232.06

Less WCRC 2022 Local Matching Funds \$ 53,369.00

ESTIMATED AMOUNT TO BE PAID BY DEXTER TOWNSHIP
UNDER THIS AGREEMENT DURING 2022: **\$ 799,863.06**

FOR DEXTER TOWNSHIP:

Diane Ratkovich, Supervisor

Michelle Stamboulellis, Clerk

FOR WASHTENAW COUNTY ROAD COMMISSION:

Barbara Ryan Fuller, Chair

Sheryl Soderholm Siddall, Managing Director

Approval of WCRC Road Repair Agreement

April 19, 2022

WCRC is proposing a road repair schedule that includes the projects the Dexter Township Board of Trustees (BOT) approved at our January 2022 meeting, except only design engineering (no construction) for culvert repair will occur in 2022. Our priority order was based on road condition, average daily traffic, and accident rates. (The priority order we approved in January appears at the end of this update.)

Repair of Huron River Drive costs will be shared with Webster Township; the Webster BOT has already approved this expense. A portion of McKinley would be shared with Lima; their BOT will be considering this expense at this month at their April meeting.

The overall cost of the agreement is higher than the WCRC previous estimates. Because the cost of construction on the culvert is not included, no additional appropriation will be necessary:

WCRC Contract as Proposed	WCRC Cost		
	Original	Revised	Difference
McKinley (Dexter Twp Only)	77,000	76,400	(600)
McKinley (shared with Lima)*	43,476	67,500	24,024
Huron River Dr (shared with Webster)*	180,850	189,500	8,650
Riker	259,000	276,700	17,700
Fleming E of Carriage	153,700	173,400	19,700
Wylie	36,100	38,700	2,600
Road Repair Total Option 1	\$ 750,126	\$ 822,200	\$ 72,074
Dust Control		31,032	
Culvert Engineering	125,000	5,000	(120,000)
TOTAL PROPOSED FY23 COST	\$ 875,126	\$ 858,232	(47,926)
Available Appropriation		867,000	
Funds Available for Contingency		\$ 8,768	

If the McKinley project is not approved by the Lima BOT, we have the option of moving a project from next year to this year. The highest priority project that fits within the FY23 budget appropriation is Stinchfield West. Stinchfield West, originally estimated at \$76,400, is just a little more expensive than McKinley. Or, we could add no projects and increase funds available for contingency. Any funds leftover from this year's appropriation will be "carried forward" into FY24 in the first supervisor's proposed budget (assuming the supervisor uses the same budget methodology next year).

If the Lima Township BOT does not approve the McKinley project, I will return to the BOT in May for your decision on whether/how to amend the WCRC contract this year.

There are two WCRC agreements to be approved at this time, one for road repair and dust control, and one for culvert preliminary engineering. These documents are attached. Also attached is the WCRC annual report.

Approved Five-Year Project Schedule

FY2023 (calendar year 2022)

- McKinley
- Huron River Drive
- Huron River Drive culvert
- Riker
- Fleming
- Wylie

FY2024 (calendar year 2023)

- Waterloo
- Stinchfield Woods west
- Toma
- Brand

FY2025 (calendar year 2024)

- Colby
- Madden
- Stinchfield Woods east
- North Lake

FY2026 (calendar year 2025)

- Donner
- Quigley
- Dancer

Funding Local Road Improvements in Washtenaw County

Introduction

Each year, the Washtenaw County Board of County Road Commissioners (the WCRC Board) and township boards partner to provide local road improvements to the residents of Washtenaw County. While road funding is limited, these parties work hard to spend this precious limited funding efficiently and effectively. The following packet was assembled for both seasoned officials who are very familiar with the process and for officials new to their positions to help them better understand the intricacies of local road funding.

Dexter Township Summary

The following is a summary of the roads, bridges and culverts located in Dexter Township.

Primary Roads

- 25.85 miles of paved primary roads
- 3.75 miles unpaved primary roads
- 0 bridges (more than 20' span)
- 2 culverts, greater than 5' in diameter

Local Roads

- 13.14 miles of local paved roads
- 25.99 miles of local unpaved roads
- 3 bridges (more than 20' span)
- 2 culverts on local collector roads, greater than 5' in diameter

2022 Local Road Matching Program Allocation

The chart below shows the 2022 allocation made by the WCRC Board for local roads in Dexter Township. Notification of the intent to use matching funds is due to WCRC by **Friday, May 20, 2022.**

Township	Allocation
Dexter	\$53,369

Local Road Needs

The chart below highlights an estimated need of the local road system in the township based on the current condition of the road and the recommended treatment for that condition.

Township	Paved Local Road Needs (\$)	Unpaved Local Road Needs (\$)	Total Needs (\$)	Average 10-year Annual Expenditure Needed (\$)
Dexter	2,230,537	2,040,000	4,270,537	427,054

Local Road Bridges and/or Culverts of Concern

The chart below shows local road bridges and/or culverts in the township that are in poor or failing condition. Additional load restrictions, up to road closure, may be put in place as the bridge or culvert's condition deteriorates.

Township	Road	Type	Condition Rating (1- failed, 10 – good)	Approx Span (feet)	Approx Length (feet)	Material Type	Legal Posting
Border of Dexter and Webster	Huron River Dr	Culvert	3	5	42	Corrugated Steel Pipe	Load Rating 36T/55T/65T

Historic Township Road Contributions 2018 – 2021

The chart below includes all contributions made by the township to WCRC including local road investments, non-motorized improvements, bond payments, primary road investments by a township, etc.

Township	2018 (\$)	2019 (\$)	2020 (\$)	2021 (\$)	4 -Year Annual Average (\$)
Dexter	197,973	150,361	96,797	75,393	130,131

Funding for Local Roads

Overview

Roads in Michigan have been chronically underfunded for decades. There are numerous reasons behind this fact but no matter the cause, Michiganders see the results – many, many miles of poor roads.

This is especially true for local roads, which connect people from the primary road system to their homes and businesses. Local roads can be further divided into local collector roads and subdivision roads. Local collector roads are those that connect residential and business areas to the primary road system. Local subdivision roads mostly service residents or businesses within subdivisions and business parks.

Washtenaw County has more than 1,060 centerline miles of local roads. See Appendix A for a chart breaking down mileage by township.

Primary and local designations are determined by MDOT. These designations are critical since they play an important role in how much WCRC receives from the Michigan Transportation Fund (MTF)¹. In 2021, WCRC received \$2,772 for each mile of rural primary road and \$3,047 for each mile of rural local road. In the urban areas, the amount increases to reflect additional traffic and lanes. The urban primary roads receive \$15,858 per mile and urban local roads receive \$2,643 per mile.

In addition to this part of the formula, WCRC receives funds from vehicle registration fees collected through the Secretary of State. Vehicle registration fees are distributed to county road agencies based the number of vehicles registered in each county.

¹ Michigan Transportation Fund (MTF) is WCRC's primary source of funding. It is made up of revenue from state fuel tax and vehicle registration fees which are allocated through a formula to MDOT, county road commissions and cities/villages. WCRC is expecting to receive \$33,000,000 from MTF in 2022.

Local Road Matching Program

Unfortunately, the MTF allocated for local roads barely covers WCRC's costs for routine maintenance such as snow plowing, pothole patching and grading. In addition, under current state law, any improvements to a local road (for example resurfacing) must have at least 50% of its funding come from a source other than the road commission, often the township.

In 2021, Congress passed a massive federal infrastructure funding package. While this funding is very much appreciated, it will likely not go to any local roads in Washtenaw County since most local roads are ineligible for federal funding of any kind.

Knowing that local road funding is a challenge, the WCRC Board has historically transferred funds from the Primary Road Fund to the Local Road Fund, even though this transfer limits maintenance activity on the primary road system. These monies are used to fund WCRC's Local Road Matching Program.

WCRC's Local Road Matching Program is made up of two programs.

1. Local Road Matching Program
2. Regulated Local Road Culverts and Bridges Matching Program

The full conditions of the Local Road Matching Program can be found in Appendix B.

Local Road Matching

The WCRC Board made two changes to the 2022 Local Road Match. First, the WCRC Board simplified the program, combining the conventional and drainage categories into one allocation that can be used for any type of local road improvement. Second, the WCRC Board increased the overall fund by \$200,000, resulting in a total of \$1.5 million assigned to the Local Road Matching Program this year. These funds are allocated to each township based on the distribution formula used by MDOT to distribute local road funds to the 83 counties of Michigan.

See Appendix C for a listing of each township's matching fund allocation. See Appendix D for a listing of each township's contribution from 2018 – 2021. See Appendix E for a map showing Dexter Township's investment over the past 5 years.

Regulated Local Road Culvert and Bridges Matching

In addition, the WCRC Board remains committed to covering 50% of the cost to replace or rehabilitate (when appropriate) local road culverts and bridges that require permits from the Michigan Department of Environment, Great Lakes, and Energy (EGLE) and/or the Washtenaw County Water Resources Commissioner's Office.

These types of structures are usually larger and more expensive to fix or replace. This funding source is in addition to the Local Road Matching Program and is applied on a case-by-case basis, as resources allow, and in partnership with interested townships.

Planning Your Investments

Roads and the entire roadway, like any other public infrastructure, require a lot of investment. Unfortunately, in Michigan, the needs far outweigh the funds available in any given year. So, how do WCRC and townships in Washtenaw County decide the best way to invest limited funds?

WCRC utilizes the principals of asset management when planning investments. According to Michigan's Transportation Asset Management Council, asset management is the "Ongoing process of maintaining, preserving, upgrading and operating physical assets cost-effectively, based on a continuous physical inventory and condition assessment and investment to achieve established performance goals."

While this may be a daunting definition, the overall concept is simple and similar to vehicle maintenance – you want to make the right fix at the right time in the right place. Most of us change the oil, rotate tires, replace batteries and make other small repairs to keep our vehicles in good shape. We know if we do nothing that we will be replacing that vehicle sooner than if we keep up good maintenance practices. We also know that it makes little sense to make minor repairs to a vehicle that no longer runs. Staying on top of low-cost maintenance items is more cost-effective in the long run.

The WCRC Board adopted a [Transportation Asset Management Plan 2021-2023](#) for the primary road system last fall. Visit wcroads.org to read the full report.

Inventory and Condition Assessment

For asset management to be effective, an agency must first understand what assets are under its jurisdiction and the current conditions of these assets. This is done through an inventory or physical inspection of each asset. The inventory and condition assessment process is different for paved road and unpaved roads.

Paved Roads

For paved roads, WCRC uses the Pavement Surface Evaluation and Rating (PASER) system. The PASER system rates paved roadways on a scale of 1 to 10. Roads are then designated into three groups: Good (10-8 rating), Fair (7-5 rating) and Poor (4-1 rating). All paved roads in Washtenaw County are evaluated every two years.

The latest PASER for the roads in Dexter Township are shown in the following map.

[illegible]

PASER stands for Pavement Surface Evaluation and Rating. The PASER rating ranges from 1- failed conditions, to 10 - brand new pavement. A pavement will only be a 10 the first year of its life, the second year it will automatically become a 9. Any condition of 8 or greater is considered to be a good condition; 7, 6 or 5 are fair; 4 or lower is poor.

- PASER based on current ratings and project improvements
- Private and Gravel roads not rated.

The WCRC determines the best fix to optimize service life for each of our projects. Good pavement management involves less expensive treatments earlier in the life of the pavement in order to take full advantage of infrastructural investments.

Road Classification

	State Trunkline
	County Primary
	County Local
	City
	City/Village Boundary

Road Ratings

	Good (10, 9, 8)
	Fair (7, 6, 5)
	Poor (4, 3, 2, 1)

Unpaved Roads

Michigan has thousands of miles of unpaved roads, including more than 700 miles in Washtenaw County. There is not an official condition rating scale for unpaved roads since surface conditions depend so much on the weather. In Washtenaw County, unpaved roads are surfaced with limestone or gravel.

While subjective, each district foreman is highly familiar with the roads in his area and can provide an informal condition rating for each of them based upon the type of material present, drainage facilities and last date of improvements.

Bridges and Culverts

Bridges are structures that span 20' or more. There are 126 bridges on Washtenaw County roads. By law, WCRC inspects bridges at least every two years. Bridges are rated Good, Fair or Poor.

Culverts are structures with less than 20' span and vary in design, from a corrugated metal pipe (CMP) to an old-fashioned short-span bridge. There are not any state requirements to inspect culverts but in 2014 WCRC implemented an inspection program for culverts.

These inspections help WCRC staff and townships identify problems and plan for replacement costs, minimizing surprises. Inspections have also resulted in structure weight restrictions or closures on primary and local roads for the safety of the traveling public.

WCRC bears all the cost to replace failed structures on primary roads but must partner with the respective township on local roads. To help, the WCRC Board committed to covering 50% of the cost to replace certain bridge and culverts on local roads as budget allows (see page 5 for more information).

See Appendix F for a map showing the latest bridge and culvert condition ratings on local collector roads across the county.

Mix of Fixes

Paved Roads

PASER can and should be used to make investment decisions on the paved road system. Before any decisions can be made, it is important to understand the various treatments available for paved road maintenance depending on the road condition. The trick is applying the right fix at the right time on the right road. See Appendix G for a flyer summarizing these road treatments.

Pavement Condition (PASER)	Possible Treatment	Estimated Cost per Mile for Two-Lane Road	Estimated Life Expectancy	Who can conduct the work?
Good (10-8 rating)	Crack sealing	\$10,000	Can last up to 3 years	WCRC crews
	Seal coat (chip seal, fog seal)	\$37,000	Can extend the life of a road by 3-5 years	WCRC crews
Fair (7-5 rating)	Seal coat (chip seal, fog seal)	\$37,000	Can extend the life of a road by 3-5 years	WCRC crews
	Mill and resurface	\$200,000	Can extend the life of a road for 5-7+ years (with proper maintenance)	Contractor with WCRC inspection
Poor (4-1 rating)	Pulverize and resurface	\$400,000	Can extend the life of a road for 10-15+ years (with proper maintenance)	Contractor with WCRC inspection
	Reconstruct	\$1,000,000+	Can last up to 15 to 20 years (with proper maintenance)	Contractor with WCRC inspection

On the primary road system, WCRC's strategy is to focus most of the investment on keeping roads already in good condition good and bringing roads up from fair to good. In addition, WCRC strives to fix a few miles of poor roads each year, depending on funding.

Example: Primary Road X was rated a 5 in the last round of PASER. This year, WCRC elects to mill and resurface it for \$200,000 per mile bringing it up to a 10 rating. Next year, WCRC plans to apply a seal coat to it (both chip seal and fog seal) for \$37,000 per mile. WCRC will need to seal coat it again in approximately 5 years to keep it in good condition.

On the local road system, the strategy depends on the funding partner, usually the township. WCRC staff are happy to work with each township to develop the best strategy for the local paved road system and the township's budget.

Unpaved Roads

Similar to paved roads, there is a range of treatment options for unpaved roads and it is important to apply the right fix at the right time.

As a part of WCRC's routine maintenance, every unpaved road in Washtenaw County will be graded a couple times per year and WCRC crews will do limestone/gravel patching as needed.

Just like paved roads, unpaved roads require more than just routine maintenance including ongoing drainage improvements to keep water from standing on the roadway which leads to deterioration of the road. Unpaved roads also require resurfacing which will be gravel or limestone depending upon the type of road.

Any work beyond routine maintenance on local roads comes at the direction of and is funded by the township. Funds from the Local Road Matching Program, described on page 5, can be used for any of the following treatments.

Possible Treatment	Estimated Cost	Recommended Frequency	Who can conduct the work?
Dust Control (includes a road grading prior to application)	\$.199 per gallon, 1,000 gallons per lane mile	2-3 times per season (May – October)	WCRC crews
Drainage improvements (ditching, berming, tree trimming)	Varies significantly by project		WCRC crews
Resurfacing (with either limestone or gravel)	Typically, \$65-\$85k per mile	Should be done every 8 – 10 years	WCRC crews
Paving an unpaved road ²	\$1.5 million+ per mile		Contractor with WCRC inspection

² It should be noted, especially when considering whether to pave local unpaved roads, many residents have expressed strong feelings against paving the road they live on, while other residents and drivers expect the road to be paved.

Bridges and Culverts

There are fewer options available on bridges and culverts to help extend the life of the structure. On primary roads, WCRC will often invest money to rehabilitate or preserve a bridge deck or substructure. Some culverts can be lined to help extend their life. Most often, investments in culverts, especially those on local roads, are for a full replacement after the condition has deteriorated significantly.

Any work beyond routine maintenance on bridges or culverts located on local roads comes at the direction of and is funded by the township.

Preventative Maintenance: Preventative maintenance work is typically done on bridges rated fair in order to slow the rate of deterioration and keep the bridge in fair or good condition. Treatments range from concrete deck repairs, joint repairs, epoxy overlays, painting and repaving of the road approaches leading to the structure.

Rehabilitation: Rehabilitation involves repairs that improve the existing condition and extend the service life of the structure and the riding surface. Most often, rehabilitation options are associated with bridges that have degraded beyond what can be fixed with preventative maintenance. Rehabilitation is typically performed on poor-rated elements to improve them to fair or good condition. Rehabilitation can include superstructure replacement (removal and replacement of beams and deck) or deck replacement. While typically more expensive than preventative maintenance, rehabilitation treatments may be more cost-effective than replacing the entire structure.

Replacement: Replacement work is typically performed when a bridge or culvert is in poor condition and will improve the structure to good condition. Replacement means the entire bridge (superstructure, deck and substructure) or culvert is removed before re-building a structure at the same location. The decision to perform a total replacement over rehabilitation (see above) is made based on a life-cycle cost analysis. Generally, replacement is selected if rehabilitation costs more than two-thirds of the cost of replacement. Replacement is generally the most expensive of the treatment options.

Project Selection

As shown in the charts above, there are more options for investing in the local road system than the funding available. To help prioritize where to invest each year, WCRC staff work with township officials to create an annual proposed local road improvement program with project estimates. These discussions typically start in late-fall and carry on throughout the winter. Final project agreements are created in mid to late spring. The full conditions of the Local Road Matching Program can be found in Appendix B.

See Appendix H for a summary of needs on local paved and unpaved roads, by township.

Funding Options for Townships

Townships are not legally required to contribute to the maintenance, construction or reconstruction of county roads. However, Act 51 does restrict how much state funding a road commission can spend on local county road construction. In addition, road commissions do not have taxing authority, so their funding sources are limited.

WCRC is limited to no more than 50% of the local road project's total cost. The other 50% of a project's cost must come from a "local source" – which usually takes the form of a township contribution. In addition, WCRC has a limited budget, just like most organizations, so the amount WCRC contributes to local road projects is capped at the amounts set forth in the Local Road Matching Program.

Washtenaw County is not alone in its challenges securing much needed local road funding. Looking beyond county lines, we see townships throughout Michigan turning to other taxing mechanisms to generate the revenue necessary to repair and maintain local roads.

Whereas WCRC does not have any legal taxing authority, townships have three options to help raise revenue to fund road improvements: a millage through Act 51, a township-wide millage or a special assessment district.

Act 51 Millage

Act 51 of 1951 outlines two options for townships to raise revenue for the maintenance and improvement of local roads.

1. Township boards can levy a property tax of no more than three mills in any year, without a vote of the people, for the maintenance or improvement of county roads within the township.
2. With voter approval, township boards may levy a property tax of no more than 6 mills in any year for the maintenance or improvement of county roads within the township.

Township-Wide Millage

Section 6 of Article IX of the Constitution of Michigan of 1963 authorizes townships to levy millages with a majority vote of the people.

In 2021, Ypsilanti Charter Township used this option to place Proposition C on the ballot to fund recreation, bike paths, sidewalks, roads, parks and general operating purposes. The measure passed with 76% of the vote.

See Appendix I for taxable values with various millage scenarios, by township.

Special Assessment Districts (Township-wide or Neighborhood-to-Neighborhood)

Public Act 188 of 1954 allows townships to pay for road improvements through a special assessment district (SAD). A SAD is an area where the majority of property owners agree to allow a government agency to levy a property tax in exchange for a specific service such as road improvements. The area can be limited to a neighborhood or can be township wide. Act 188 outlines the process for levying a township SAD.

In 2013, Scio Township's Board approved a township-wide SAD which raises approximately \$500,000 annually for ten years and funds improvements on local roads in the township. Several other townships in Michigan have taken this approach for township-wide improvements.

In Washtenaw County, Dexter, York, Lodi and Scio Townships have also approved neighborhood SAD projects, which are generally initiated by neighbors in a specific subdivision requesting road improvements within their neighborhood.

See Appendix J for a summary of revenue that could be generated through various rates of a township-wide SAD, by township.

Appendix B: Local Road Matching Program Conditions

Township Assistance

In order to allow local road improvements to proceed in a timely manner, townships are asked to assist WCRC staff in acquiring necessary tree removal and grading permits, holding public meetings and coordinating any necessary property owner contacts.

Project Overruns

WCRC staff will provide an estimated cost for each individual project to be included within the agreement between the township and WCRC. If, prior to beginning an individual project, it is determined that the original cost estimate will not cover project costs, WCRC will notify the township to determine if the township desires to proceed with the project with a reduced scope of work or an additional funding commitment.

Budgets are closely monitored on each project and every effort is made to avoid overruns. Any unexpected project cost overrun shall be taken from any unexpended funds remaining in that township's total township agreement. If the overrun exceeds the total township agreement, WCRC may bill the township up to an additional 10% of the total agreement amount with the township. At the township's option, such overruns can be taken from the following years' matching funds.

Billing Procedures

The following billing methods apply only to those projects considered to be construction and heavy maintenance. Dust control will be billed at cost-to-date at time of billing. Standard fringe and overhead rates will be applied as defined by PA 51 of 1951, as amended.

- First Billing: The first 40% of the total matching program for construction and heavy maintenance projects will be due in June or 30 days from receipt of the first invoice.
- Second Billing: The second 40% will be due in August or 30 days from receipt of the second invoice.
- Final Billing: A final billing will be due in December or 30 days from receipt of final invoice.

Any credits due to townships will be returned at the time of final billing or credited to the following year, as determined by the township.

Primary Road Matching

Any township board may, at its option, request that a part or all of its allocated matching WCRC funds, along with an equal amount of township funds, be used on a primary road project within the township boundaries.

Reallocation of Funds

Any township that has not notified WCRC of its intent to use matching funds on or before Friday, May 20, 2022 will forfeit the allocated matching money. WCRC will determine the amount of unused matching funds and reallocate these funds to primary road maintenance.

Dust Control

Conventional matching funds can be used for dust control only for solid applications (spot or skip spraying is ineligible). Application rates and frequency will be subject to limits established by EGLE rules (Reference: State of Michigan EGLE Groundwater Discharge Permit, General Permit No. GW1550000, Rule 2215, effective April 1, 2020, expiration April 1, 2023)

Local Matching Fund Carryover

If a township determines that it desires to carry over the funds allocated for a given year into the following year, the township must provide written notification to WCRC that it is requesting this carryover and identify an eligible project for which the funds will be held.

The carryover fund will be preserved by WCRC for one year. Beyond this point, the funds will be reallocated to primary road maintenance. The carryover option allows the township to accumulate the funds that are allocated with the previous year allocation; in other words, the carryover funds cannot exceed the previous year's allocation.

Appendix C: 2022 Local Road Matching Funds, By Township

Township	2022 Local Matching Program	2021 Conventional Local Road Matching Program	2021 Drainage Matching Program
Ann Arbor	\$29,478	\$23,270	\$3,782

Appendix G: Life of a Road Flyer

The Life of a Road

Preserving our investments with preventative maintenance

Road work is an expensive endeavor. The Washtenaw County Road Commission (WCRC) works very hard to apply the principles of asset management with the available preventative maintenance tools to maintain the more than 1,600 miles of road under WCRC's jurisdiction. Check out the graphic below to get an idea of when each tool is the best option, depending on the road condition and budget constraints.

Crack Seal

Estimated Cost*: \$10,000 per mile

Impact: Can last up to 3 years

What: Fills cracks (less than 3/4" wide) with asphalt sealant. Seals pavement from water and debris.

When: The best time to crack seal is when cracks start to develop and are still relatively small.

Mill and Resurface

Estimated Cost*: \$200,000 per mile

Impact: Can extend the road life by 5 to 7+ years

What: One layer of existing asphalt is removed and the road is resurfaced with a new layer of asphalt.

When: The best time to mill and resurface is when the top layer of pavement has started to deteriorate with visible cracking and shoulder issues.

Seal Coat (Chip Seal and Fog Seal)

Estimated Cost*: \$23,000 - \$37,000 per mile

Impact: Can extend the road life by 3 to 5 years

What: Thin layer of liquid asphalt that seals pavement from water, sunshine and debris.

When: The best time for seal coat is when the road is still in good or fair condition with slight cracking starting to show. WCRC is working to seal coat new pavement within a year or two after it has been placed to extend the pavement life.

Pulverize and Resurface

Estimated Cost*: \$400,000 per mile

Impact: Can extend the road life by 10 to 15+ years

What: A pulverizer, capable of breaking up 6 to 10" of existing asphalt and aggregate base, recycles and compacts the pulverized asphalt to create a new road base, and then covers it with two layers of new asphalt.

When: This is one of the last options due to cost. It is used when the road is in very poor condition with large potholes and heavy cracking.

**Estimated costs are based on 2021 prices for two-lane roads*

Dexter Township Resolution #22-646

A resolution to amend the Dexter Township Fiscal Year 2022/2023 Budget

WHEREAS, the Dexter Township Board agrees to make a transfer of \$8,000.00 from the General Fund Balance to the Open Space and Land Preservation Fund, and;

WHEREAS, the Dexter Township Board agrees to make a transfer of \$130,000.00 from the General Fund Balance to the Fire Fund, and;

NOW, THEREFORE, BE IT HEREBY RESOLVED, the Dexter Township Board, by a vote of the majority at a regular meeting held this 19th day of April 2022, amends the Fiscal Year 2022/2023 Dexter Township Budget per the attached budget document.

Dexter Township Resolution # 22-648

A resolution to establish the salary of Township Treasurer:

WHEREAS, in a township that does not hold an annual meeting, the salary for officers composing the Township Board of Trustees shall be determined by the Township Board of Trustees at an open board meeting, and;

WHEREAS, per MCL 41.95(7), 42.6a (6), the salaries for elected officials cannot be decreased during a term of office (2021 thru 2025) after they have been established by the Township Board of Trustees unless the duties of the official are decreased and the official consents to the decrease in writing, and;

WHEREAS, the current compensated duties of the Dexter Township Treasurer are statutory and, therefore, cannot be decreased, and;

NOW THEREFORE IT BE RESOLVED, the Dexter Township Board of Trustees, by a vote of the majority at a special meeting held this 19th day of April 2022, sets the annual salary for the Township Treasurer at \$43, 000.00 effective April 1, 2022.

Dexter Township Resolution # 22-650

A resolution to establish the salary of Township Supervisor:

WHEREAS, in a township that does not hold an annual meeting, the salary for officers composing the Township Board of Trustees shall be determined by the Township Board of Trustees at an open board meeting, and;

WHEREAS, per MCL 41.95(7), 42.6a (6), the salaries for elected officials cannot be decreased during a term of office (2021 thru 2025) after they have been established by the Township Board of Trustees unless the duties of the official are decreased and the official consents to the decrease in writing, and;

WHEREAS, the current compensated duties of the Dexter Township Supervisor are statutory and, therefore, cannot be decreased, and;

NOW THEREFORE IT BE RESOLVED, the Dexter Township Board of Trustees, by a vote of the majority at a special meeting held this 19th day of April 2022, sets the annual salary for the Township Supervisor at \$55, 000.00 effective April 1, 2022.

Resolution offered by Board Member:

Resolution seconded by Board Member:

Roll call vote:

Yeas:

Nays:

Abstain: None

Absent: None

Tally Y =; N = 0; Abstain = 0; Absent = 0

The Supervisor declared the resolution adopted.

CERTIFICATE

The undersigned, being the duly elected and acting Clerk of the Township of Dexter hereby certifies that the foregoing resolution was adopted at a regular meeting of the Dexter Township Board at which a quorum was present on the 19th day of April, 2022, and that the members voted thereon as hereinbefore set forth.

Michelle Stamboulellis, Clerk

MARK A. PTASZEK
UNDERSHERIFF

April 11, 2022

To: Diane Ratkovich, Dexter Township Supervisor
From: Nick Krings, Sergeant
Through: Alan Hunt, Lieutenant
Cc: Keith Flores, Police Services Commander / Nancy Hansen, Captain
Re: March 1st – March 31st, 2022 Police Services Monthly Report

During the month of March 2022 there were 153 calls for service (including traffic stops). Deputies conducted 64 traffic stops during this time with 7 citations issued.

Noteworthy events in Dexter Township during last month include:

On March 14th, Deputies responded to the 5700 block of Dexter Pinckney Road for a report of smoke coming from a residence. Deputies arrived and found children outside playing, seemingly unaware of the smoke coming from the roof. Deputies contacted an adult and advised him of the fire. Deputies assisted with evacuating the remaining occupants and made arrangements with the Red Cross for housing. The cause of the fire appears to be a faulty light in a bathroom.

Banked Hours Update:

The collaboration accumulated 208 banked hours during the month of March. The banked hours were primarily generated as a result of vacant shifts. 132 banked hours were used to fill vacant shifts and for extra patrols. As of the end of March, the collaboration has a yearly banked hours balance of 504 hours.

Dexter Collaboration Into/Out of Area Time:

- Into DWD Area Time – 2097 mins (Year to Date – 3553 mins)
- Out of DWD Area - 1606 mins (Year to Date – 2970 mins)

Dexter City Into Area Time - 0 mins (Year to date – 679 mins)
Dexter Twp. Into Area Time - 281 mins (Year to date – 731 mins)
Webster Twp. Into Area Time - 360 mins (Year to date – 687 mins)

*Public Safety – Quality Service – Strong Communities
Serving Washtenaw County since 1823*

The Sheriff's Office has recently implemented a new, on-line, police reporting portal. Citizens can now file certain types of police reports on-line without needing contact with a Deputy or coming to a station. The following types of incidents may be filed on-line:

- Harassing phone calls/ No Known Suspects
- Identity Theft/ No Known Suspects
- Lost property
- Larceny/Theft/ No Known Suspects
- Damaged Property/Vandalism
- Accidental/Non-Intentional Property Damage

Any and all incidents can still be reported by calling 911, Washtenaw Metro Dispatches non-emergency dispatch number (734) 994-2911 or at any of our Community Police Stations.

The on-line reporting portal can be accessed through the Washtenaw County Sheriff's Office website.
